Engaging in Committee Hearings

There are three options for giving your input on a bill during this remote session: (1) Note your position for the record, (2) submit written testimony, or (3) testify live at the hearing.

Participate in a Hearing:

Go to this page [https://leg.wa.gov/legislature/Pages/Participating.aspx](https://leg.wa.gov/legislature/Pages/Participating.aspx) and select "Register to Testify Remotely During a Hearing"

Select the chamber the bill is being heard in:

Select the committee and meeting time, then select the bill (agenda item) from the drop-down menu:

Select the type of testimony you would like to give:

- Written testimony can be submitted before the hearing, or up to 24 hours after the start time.
- If you sign up to give live testimony you will receive a zoom link and will be required to be present at the time of the hearing. Be prepared to wait your turn and be aware that signing up does not guarantee that you will be called to testify.
- You must note your position PRO or CON at least 1 hour before the hearing starts.
