

CHILDREN'S ALLIANCE

A Voice for Washington's Children, Youth & Families

Finance Director

Children's Alliance seeks a Finance Director to lead the full range of fiscal management responsibilities, from bookkeeping and financial reporting to key stakeholders to budget development, regulatory compliance, cash management, and strategic planning. The best candidate for this position will bring a demonstrated commitment to racial justice, an orientation to detail balanced with an inclination to strategic thinking, and expertise in nonprofit finance and accounting.

ABOUT CHILDREN'S ALLIANCE

At Children's Alliance, our mission is to secure opportunity for every child in Washington by effecting positive change in public policies, priorities, and programs.

We speak directly to state and federal decision makers to influence the policymaking process. We mobilize people so they can make a difference. We listen to and learn from our allies and members. And we advocate with families who are directly affected by racism and inequality.

We believe our mission will only succeed if we unapologetically, actively, and effectively fight to end racism and anti-Blackness.

Our culture is warm, informal, and collaborative. We work hard to be inclusive as we plan strategies, campaigns, and events. We dedicate time in staff and board meetings to better understand how racism shows up in the child-serving systems we seek to change, and in our own internal policies and practices.

This work is challenging; it calls for each of us to be vulnerable and to take risks. We strive to handle the challenges with care and compassion and learn from them together. For us, this work is central to our mission.
